< Description:	Decibel® Single is an oasis in the open office environment. It's perfect for making phone calls, video conferencing, or performing focused tasks. Integrated LED lighting and QuietFlow™ ventilation make it as comfortable, as it is quiet.	Introducing Decibel® Deluxe - the ultimate office pod designed to empower solo professionals. With ample amounts of space for one person and tailored for seamless online meetings, it's your ticket to a productive, private workspace.	The bigger brother to the Decibel® Single acoustical office phone booth. All of the extra space in the Decibel® Double makes it ideal for meetings and work sessions for up to 4 users. It retains all the comforts, equipment, and sound attenuation that the Single booth is renowned for!	Meet Decibel® ADA - the spacious office pod redefining inclusivity and collaboration. Whether it's accommodating two individuals in wheelchairs or one in a wheelchair plus two more, it's the ideal space for teamwork and productivity.	The largest pod of them all, the Decibel® Conference Pod is the size of 2 Decibel® Double booths, designed for 6-8 users. Its modular design makes it a quick and easy alternative to building out conference rooms and provides superior acoustics and privacy for meetings.
