

## Decibel® Deluxe

### Escape The Open Office

The Decibel® Deluxe is a single-person pod that offers the same peaceful haven as the Decibel® Single, but with extra elbow room for ultimate comfort. Whether you need to focus on a demanding task, take a confidential call, or simply escape the daily hustle, the Decibel® Deluxe provides the perfect sanctuary for peak productivity and Zen-like tranquility.

## Differentiators

KEEPING YOU COOL

### QuietFlow™

Our proprietary airflow system is designed to keep you cool, by quietly circulating the air inside the booth, while maintaining acoustical privacy.

REDUCING DECIBELS

### QuietWorx™ Acoustics

Three layers of soundproofing material removes all distractions, giving everyone in the office a moment of peace.

SAFETY FIRST

### FireShield™ System

FireShield™ (Patent Pending) is a heat-activated fire suppression technology available in all our PODs, ensuring fire codes are met while maintaining modularity and flexibility to relocate units.
