

MomSpace™

Pumping Privacy Made Easy

Supporting Moms In The Workplace

With MomSpace™ Pods, we strive to create a supportive and inclusive space for moms at work, empowering them to embrace their nurturing instincts, while ensuring their privacy is respected.

The MomSpace™ Difference

Designed For You From The Inside Out

— Keeping You Cool

QuietFlow™ Ventilation

Our proprietary airflow system is designed to keep you cool, by quietly circulating the air inside the booth, while maintaining acoustical privacy.

— Reducing Decibels

QuietWorx™ Acoustics

Layers of soundproofing material with hygienic water resistant vinyl keeps the booth both quiet and sanitary...empowering the mother to provide for her baby in comfort.

Differentiators

Designed For You From The Inside Out

— Safety First

FireShield™ System

FireShield™ (Patent Pending) is a heat-activated fire suppression technology available in all our PODs, ensuring fire codes are met while maintaining modularity & flexibility to relocate units.

— Reducing Decibels

Necessities For Pumping (optional)

Plumbing free sink, electrical outlets, shelf, and mini fridge all located within easy reach. It simplifies pumping at work for moms.

— Design It Your Way

PrintWorx™ Customization

PrintWorx™ is completely customizable. Choose to cover half or the entire booth, inside and out. Add your company logo for a personalized touch.
