

Decibel® ADA

Accessible Meetings

Meet Decibel ADA – the spacious office pod redefining inclusivity and collaboration. Whether accommodating two individuals in wheelchairs or one in a wheelchair plus two more, it's the ideal space for teamwork and productivity.

A better way to make your day, productive!

Differentiators

KEEPING YOU COOL

QuietFlow™

Our proprietary airflow system is designed to keep you cool, by quietly circulating the air inside the booth, while maintaining acoustical privacy.

QUIETWORX™ ACOUSTICS

Reducing Decibels

Three layers of soundproofing material removes all distractions, giving everyone in the office a moment of peace.

SAFETY FIRST

FireShield™ System

FireShield™ (Patent Pending) is a heat-activated fire suppression technology available in all our PODs, ensuring fire codes are met while maintaining modularity and flexibility to relocate units.
